Dear OPC,

As we have continued our worship, fellowship, and service in the name of Christ, Covid-19 cases have continued to hold at a “medium” level in DeKalb county over the past 2 weeks. Because of this, we are confident that we are at a safe place to move back to a “mask optional” policy at our church, effective immediately. Please be mindful of those who continue to wear masks and practice social distancing, continuing to extend the same grace you have all practiced so often.

As always, please encourage those not yet vaccinated and/or boosted to consider doing so, as the best way to protect our community against Covid-19.

Sincerely,
OPC Task Force
